RENT THE FARM
A VENUE FOR YOU...

Urban Adamah offers an abundant two-acre farm and campus in the hearth of the East Bay. Our lush gardens provide a sweet escape from city life. Let us dream with you to create an experience that is unforgettable! The farm is available for use by non-profit 501(c)(3) organizations, religious institutions, schools, and similar organizations. Private individuals and others are also invited to contact Urban Adamah’s Community Programs Director, Tessa Snyder to inquire about site availability.

We invite site users to design their event to meet their taste and needs, and share these examples from past events to help inspire your thinking and creativity...

FLOWERS
Would you like to use Urban Adamah’s flowers to add (hyper) local decorations to your tables? **We’ve got you covered!**

**OPTION ONE**
Customized bouquets for purchase – $40 for a 16oz mason jar of select flowers

**OPTION TWO**
Bulk buckets for purchase. Each bucket includes enough flowers to fill 5 – 8 wide-mouth, quart-sized mason jars:

- **Farmer’s Choice Buckets:** $85 each
  We will fill your buckets with the best of what’s in bloom that week. This option is great if you want fresh, beautiful flowers but you don’t need to know exactly what colors or flowers will be included your bucket!

- **Your Choice Buckets:** $110 each
  We tailor your buckets to your color palette and style. As always, specific flower varieties depend on the season and the whims of nature. This option is for you if you have a more particular color palette in mind.
